ARLENIS SOSA

**W**hen Arlenis Sosa is not busy adorning the pages of *Vogue* or walking down the runway for designers like *Prabal Gurung*, *Philipp Plein* or *Cushnie*, she tries to return to her favorite place in the world: her homeland, the Dominican Republic. Just one week after her arrival in New York, Anna Wintour sent her to the Met Ball herself. In the wake of that event, she rocked the model world. Arlenis has achieved a lot in her career as a model - she was the face for *Lancôme* and made it to model Olympus as a *Victoria's Secret* Angel. Arlenis has the ultimate combination of a perfect body and a beautiful face, perfect for beauty campaigns!

Your definitive health and beauty intelligence

## body proud

Sometimes the key to getting what you want is LETTING GO. Contradictory as that might sound, it's what VACATIONS are all about. So lose any self-consciousness in a new DANCE CARDIO class; learn the shortcuts to staying FIT and looking LEAN; celebrate the PERSON YOU ARE and the journey it took to get here. And most of all, be BODY PROUD.
