## TARANEH

If you bottled up sunshine and rainbows and the cutest smile, you would get Taraneh, no last name needed (but it's Shayesteh if you must know).

She makes married life look like an adventure and that you don't have to "settle down" to have it all. Her photos and videos are inspirational to any fashion lover. Taraneh shows you how to do it right while giving you some tips that you just won't find anywhere else, right down to which lipstick to wear. Her bubbling persona is so addictive, it has over 100k followers coming back for more.
