## VIOLET CHACHKI @VIOLETCHACHKI

Violet Chachki is known for creating sophisticated performances and captivating visuals that blend burlesque, aerial acrobatics, with a Bettie Page allure. On Season 7 of "RuPaul's Drag Race", Violet's charismatic bold talent won her the crown — which included a \$100,000 cash prize. Since that victory, she's performed in large venues spanning the globe. She's headed up a number of burlesque festivals and international drag shows, and has even had the opportunity to tour with one of her icons, the inspirational Dita Von Teese! Together they have both graced the covers of numerous magazines and in a number of high profile editorials such as, Italian Vogue, Interview Magazine, Nylon, and Candy.

Violet has the killer combo of a unique look and eclectic persona - and she boasts the tiniest waist in the biz.
